Marysville Youth Soccer Association and Michigan State Youth
Soccer Association Proudly Presents TOPSoccer.**

US Youth Soccer **TOPSoccer** (The Outreach Program for Soccer) is a community-based training and team placement program for athletes with disabilities, organized by High School and soccer association volunteers. The program is designed to bring the opportunity of learning and playing soccer to any athlete (4-adult), who has a mental or physical disability. Our goal is to enable the thousands of athletes with disabilities to become valued and successful members of the US Youth Soccer family. Marysville High School Soccer teams earn community service hours and it gives the high school athletes a chance to give back to the community.
