Head Ref's – Dianna Dykstra, and Nathan Wilcox.

These positions will take affect on July 1,2009. There were a total of 19 ballots out of 33 possible.

Open floor:

Problem of standings between two Jr. High teams. Jodi K, discussed how in the past when she was doing the standings how things worked, and according to that way her team should be in first place. She had brought previous year information to prove this.

When she left it was taken over by Burk K, the particular computer program used previously was unavailable so he had asked Scott P, how it was done, he had helped in the past with standings. Burk went with this procedure in the fall and there was no questions on standings that season. There is a discrepancy between ways so as an Executive board it was decided both teams would become co-champs. It was motioned to continue the fall format for the rest of the age groups, Nathan 2nd, all in favor.. The bylaws were unclear in its wording which will be addressed before the Fall Season of 2009.
