Discussion and changes of Rules and Regulations

Went thru current and Burk will change: number 5 under Teams, change players on field to 4, take out the substitution line. # 8 change players on field to 8 players instead of 9. Add to kickoff section Jr. High will have a coin toss for the start, ref flips, away calls, who wins choices kickoff or defend, and the ball must travel forward and cross center line before it can be called a good start. Second half switch sides and who kicks off. Under fouls add carding system. U-6 No standing in arc, if ball goes in arc, it is a dead ball and a goal kick is issued. Burk will meet with u-4 coaches to discuss how they want to run the games, so all on same page.

It was motioned by Charisse that all parents and coaches are subject to carding. Carding goes to coach for parents misconduct. Ages u-8 to jr high are subject to be carded, a description on back of score sheet of foul is needed. We will be following FIFA disciplinary sanctions. 2 yellow cards mean out of game, 2nd yellow equals a red. Direct red will have to be discussed with the Head Coach, Head Ref, ref, and parents. When a player gets removed a substitution will be put into place. Sherri seconded. All in favor. Burk will send an email of what fouls these will include.

It was motioned by Sherri that Jr. High Coaches will select 2 captaints per week for the coin toss and other duties decided by coach, Charisse seconded, all in favor.

Karen will call Dianna to make sure the ref meeting is scheduled befor Sept 1, 2010.

It was motioned by Sherri that Chris Johnson fill the u-8 divisional director position, Charisse second, all in favor and he accepted.

Painting the lines by teams is put on hold at this time until we get the answer about the Shed at the Church.

Charisse will due up the agenda for Coaches meeting, we will ask the divisional directors to arrive at 6 to discuss what they need to talk with the coaches about.

There will be an Open coaches discussion at the end for any training tips, or questions.
